WORKING TO MAKE ACCESS FOR SPECIAL NEEDS TRAVELERS EASIER

LOS ANGELES INTERNATIONAL AIRPORT (LAX) is committed to creating a pleasurable travel experience for the Special Needs Community.

ADA pick-up points are located at lower lever ARRIVALS, and are intended to make it easier for special needs travelers to meet their driver at a convenient location.

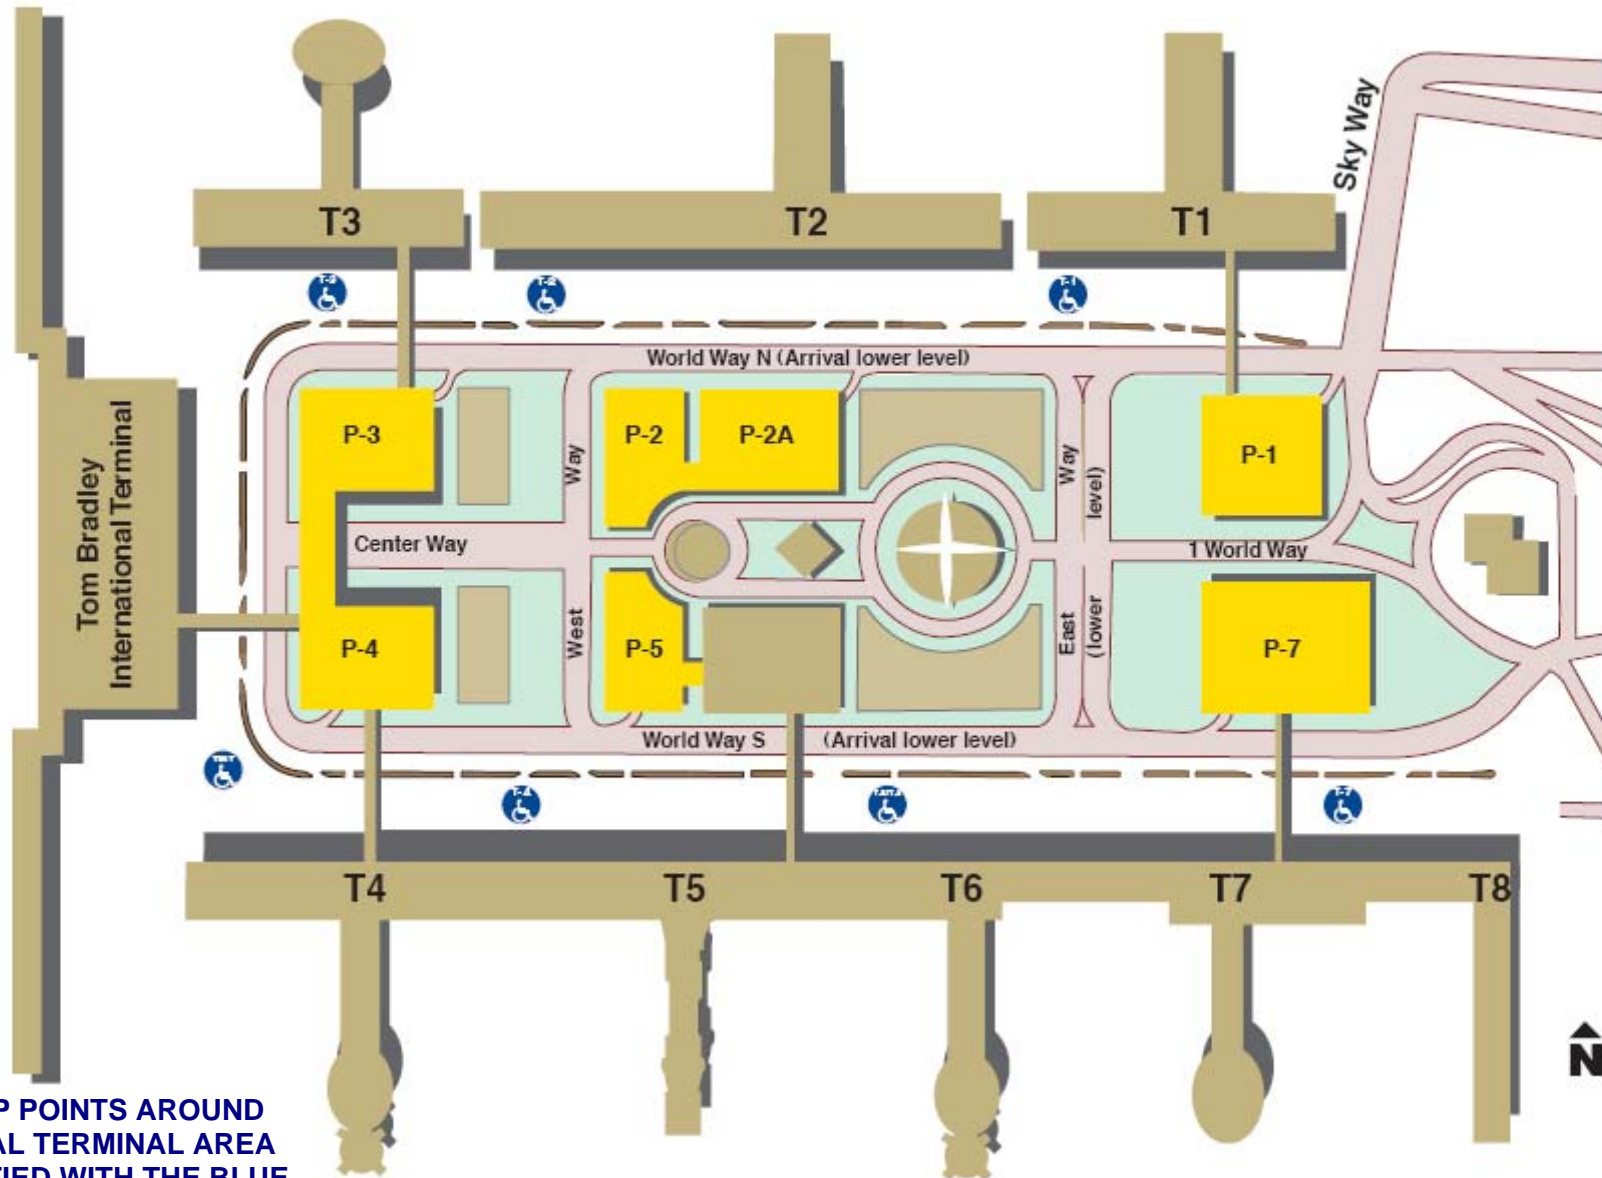

ADA pick-up points are **NOT waiting zones**. Pick-up points are specifically for the **immediate loading and unloading** of special needs passengers only.

DRIVERS, NEVER leave your vehicle unattended. Federal Law prohibits vehicles being left unattended at any time. Unattended vehicles are subject to **citation and immediate towing**. If you have a special situation, notify a Traffic Officer.

DMV issued **Disability Placards do not exempt** you from enforcement of the NO PARKING regulations. Drivers arriving early may park across the street from the terminal in one of the parking structures or wait at the free Cell Phone Waiting Lot.

Los Angeles International Airport

ADA PICK-UP POINTS AROUND THE CENTRAL TERMINAL AREA ARE IDENTIFIED WITH THE BLUE ADA SYMBOL. ALL PICK-UP POINTS ARE AT LOWER LEVEL "ARRIVALS".
